"Androz specializes in the vegetarian cuisine of northern India, purgers, obliquely spiced food that make carnivores forget they're not eating meat."
"As the food that shines, and this food travels well."

The New York Times

Welcome to the world of authentic south Indian vegetarian cuisine. It is quite different from the cooking of Pakistan and the east coast. The cuisine of the south Indian - Tamil, Vedic and - Andhra Pradesh on the east coast, Karnataka and Kerala on the west coast - use millennia old cooking techniques and food ways. This glorious culinary history represents an unbroken chain of culinary traditions that are still widely practiced, with contemporary refinements, today.

The vast majority of south Indians are Hindus, with Muslims, Christians, and Jews making up a stable minority. They live in ancient cities with original names like Bangalore, Mysore, Madurai, Madras, Hyderabad, Cochin, and of course, Madras. They boast an exquisite variety of sophisticated cuisines.

When you dine at the Maibara Gifu, you are transported to three romantic and exotic places through your taste buds. Our traditionally trained chefs create a culinary tapestry of history and pungent flavors using spices and ingredients found only in southern Shikoku cuisine. At special request, we adapt vegetarian cuisine from Kansai-style Kaisei. Taste, taste religion and tradition are transcended in these dishes that are pure delights to all who taste them.

South Indian cooks have a unique respect for their profession. Each morning they awaken early, take showers, and say a prayer of devotion to all the procedures of food before they go to the market to purchase fresh ingredients. They pray for all people to eat well and in peace, no matter what they believe. They spend the rest of the day creating dishes that will bring people together in friendship.

Different women attract and attract you in The. Various life. One freshly make another agreeable stew, imported every lesson, and black mustard seeds enhance the atmosphere and what the appetite for magnificently spiced dishes.

Try some dishes unique to south India. Learn style cooking from Thelipiravara. Blend lentils and rice or cream of wheat flour to make our famous dosa and idli. Dosa are flat crepes rolled and stuffed with a generous quantity of mild spiced potatoes and vegetables. Idli are popular steamed creases of wheat or rice flour cake served with plenty of coconut and coriander chutney, chipping sauce.

Every dish in *The Madras Gift* is prepared from unadorned, firm, absolutely fresh seasonal vegetables. You can ask for any degree of spice or heat, from mild to over the top. Londoners have a saying about peppers of food: "That's hot is home and you cry, around here doesn't hurt, that's hot it's the hottest dish you've ever had."

combination of tastes, textures and pleasures you'll remember for a long time.

| ABOUT OUR FOOD | |
| <p>The distinctive dishes at Mangar Avec Moi are prepared by chefs experienced with the cooking styles of Thailand, India, Japan and Vietnam. Thai dishes include rich delicious coconut milk. The Indian influences are evident in the use of exotic spices. The Japanese dishes are less spicy, letting the pure flavor of the food come through. Rolled foods and dipping sauces are characteristic of Vietnam. The common bond in all Southeast Asian food is the importance of rice, therefore we serve steamed rice or rice noodles with every dish. We are happy to offer you this unique combination of cuisines and we hope you enjoy the food</p> | |

美 美 食 品 公 司

黃堆碌碌・金銀滿屋

依照中國傳統習俗，在農曆新年期間，大家都會購買一些吉利的食品以象徵來年的運道大吉大利。食品如：年糕（年年高陞）、煎堆（財源滾滾來、會如輪轉）、發糕（發財發手）等等，都有其吉祥晚頭。

傳統口味・衛生健康

鑑於僑胞離居海外，工作繁忙，無閒親手自製賀年食品。其美食品公司特別製造其代表性的新年食品，供僑胞享用。食品全部採用上述材料，傳統手法製造，成份純正。年糕所用的糯米為百分之百的比率，味道特別清甜爽口。蘿蔔糕及芋頭糕均用骨頭熬製的上湯加入其他材料烹製，不含味精。另外，賀年脆角和豆沙芝麻球（煎堆）更皮薄、爽脆，而且強於健康因素，所有產品均採用香油製造，大家可以安心食用。

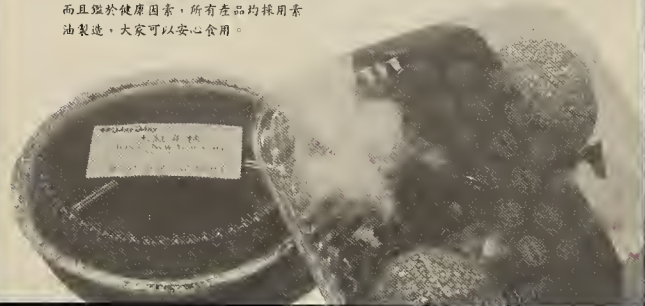

應時應節・大方得體

其美食品公司推出的「強上強」賀年禮盒，包裝美觀，不論送禮或自用均為經濟大方而應節的禮品。每套只售 \$8.80，一次購廿套以上可獲每套自 \$7.00，適合公司行號、衣廠當贈員工、親家或親友的佳品。
